## AREQUIPA

Arequipa, the "White City," is renowned for its beautiful volcanic stone architecture and its stunning natural setting, dominated by the majestic Misti Volcano. During this tour, you will explore its historic center, declared a UNESCO World Heritage Site, and discover architectural gems such as the Santa Catalina Monastery, the Cathedral, and the Church of the Society of Jesus. You will also visit the traditional district of Yanahuara, where you can enjoy panoramic views of the city and its three guardian volcanoes: Misti, Chachani, and Pichu Pichu.

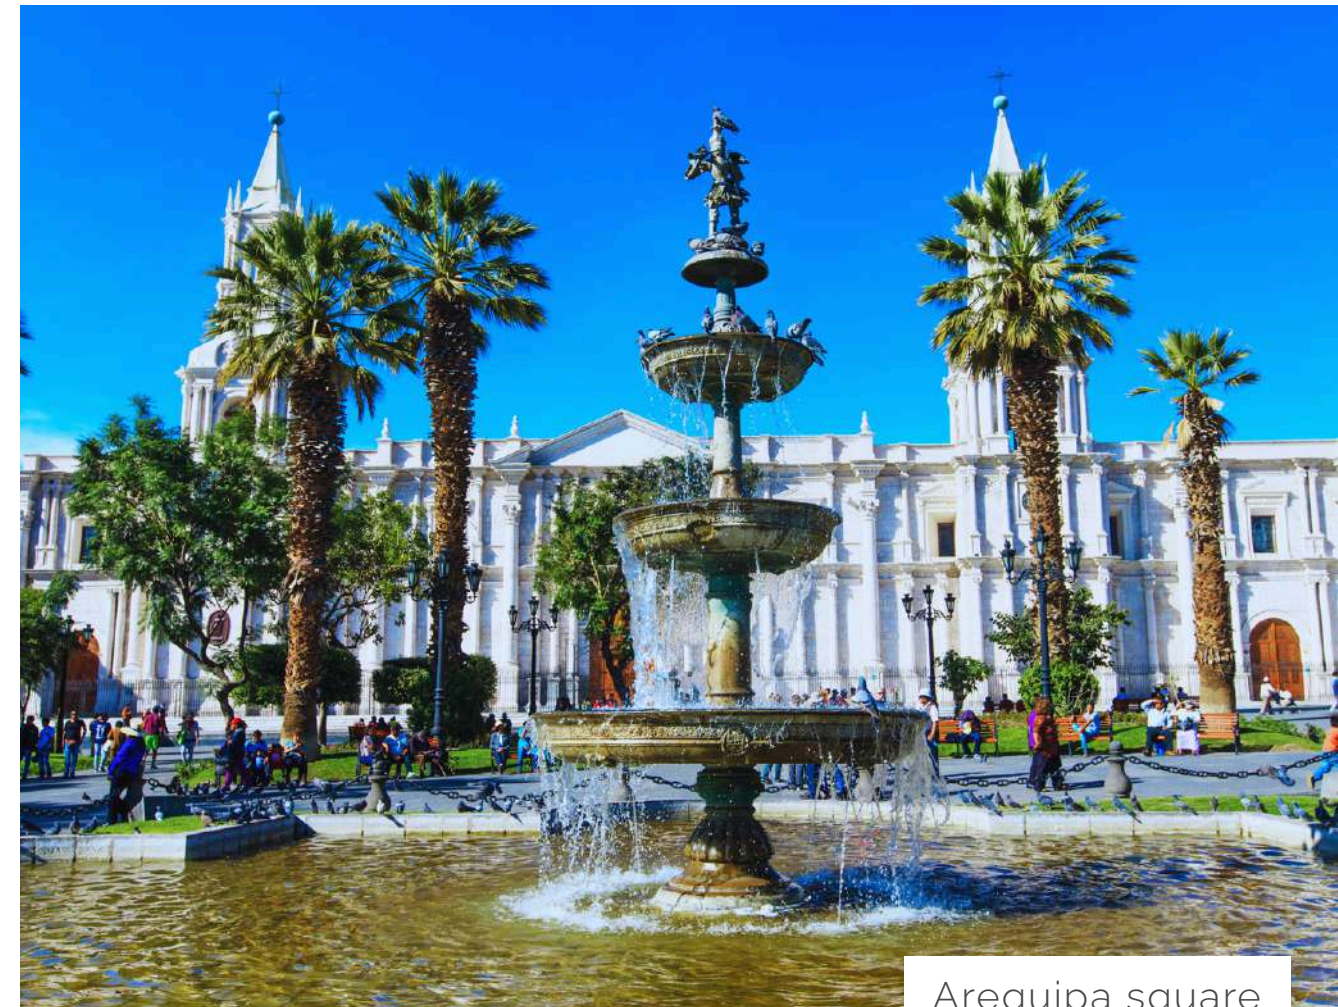

# AREQUIPA CITY TOUR

## ITINERARY:

Our experience begins with pickup from your hotel in the city of Arequipa. We will start at Carmen Alto, a charming viewpoint offering panoramic views of the city and its green countryside, an ideal place to enjoy nature and capture beautiful photographs. We will then continue to the Yanahuara Viewpoint, famous for its volcanic stone arches that frame the majestic volcanoes surrounding the city. Nearby, we will explore its picturesque square and colonial church.

Next, we will stroll through the Callejón de la Casa Encantada and Callejón Toledo, two beautiful spots rich in history, art, and tradition. We will then visit the Cathedral of Arequipa, an elegant symbol of colonial architecture, and the lovely Plaza de Armas, surrounded by historic arcades and monuments that tell the story of the city's past.

Our journey continues to the Monastery of Santa Catalina, known as a city within a city, reflecting centuries of devotion and monastic life. Finally, we will visit the Church and Cloisters of the Compañía de Jesús, masterpieces of mestizo baroque art that combine artistry, spirituality, and the living essence of Arequipa. At the end of our experience through the White City, we will take you back to your hotel.

Misti Volcano

## Arequipa Main square

It is the heart of the White City, a space surrounded by elegant arches made of volcanic sillar stone, a symbol of Arequipa's identity, and dominated by the majestic Cathedral, one of the largest in Peru. From here, visitors enjoy a privileged view of the Misti Volcano, which frames the square and gives it a truly unique character.

## Yanahuara

Yanahuara is one of Arequipa's most charming traditional districts, famous for its picturesque viewpoints and historic sillar stone arches engraved with poetic inscriptions. From here, visitors can enjoy one of the best panoramic views of the Misti, Chachani, and Pichu Pichu volcanoes.

SILENCIO

## Monastery of Santa Catalina

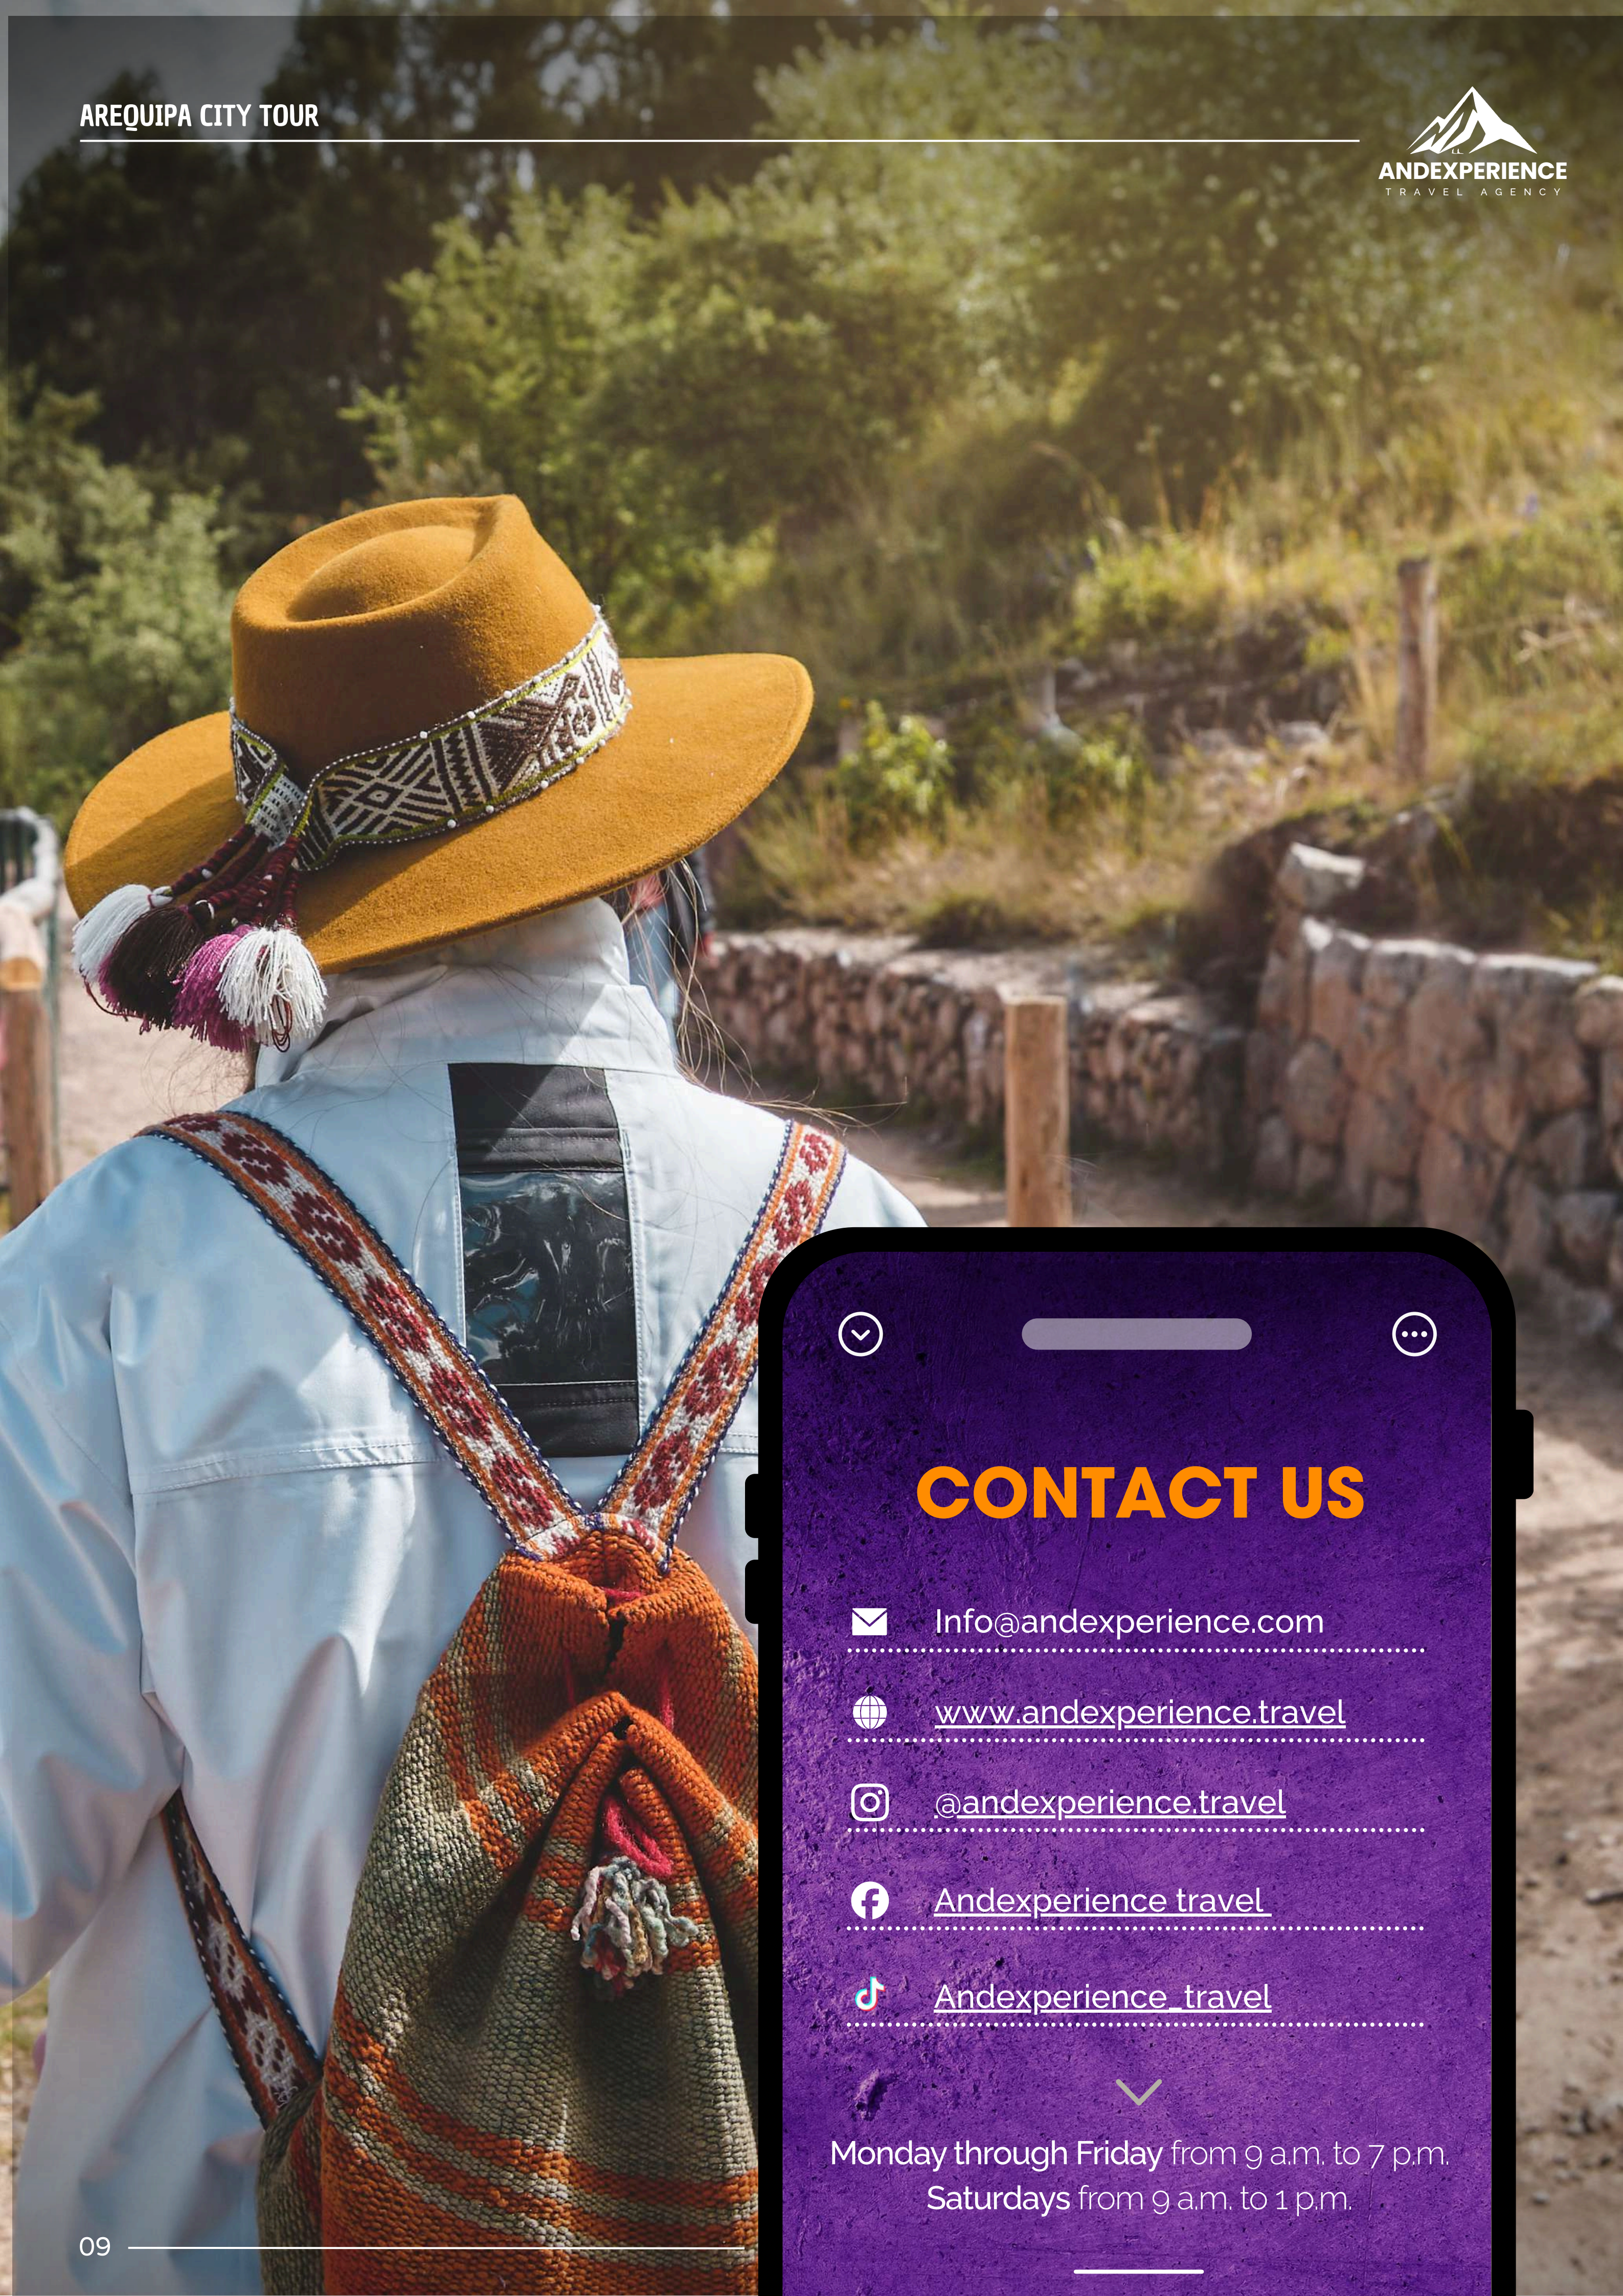

Founded in the 16th century, it is one of the most fascinating religious complexes in Peru, a true city within a city. Built from volcanic sillar stone, it stands out for its colorful streets, silent courtyards, and cloisters that reflect centuries of history and monastic life.

## Compañía de Jesús

The Church and Cloisters of the Compañía de Jesus of Arequipa, built from volcanic sillar stone, stand out for their impressive Mestizo Baroque façade, finely carved with Andean and European symbols. Inside, the cloisters and chapels reveal the cultural and religious fusion that shaped Peru's colonial history.
